Commissioner Tyler Paxson made a motion to approve the payroll and bills. Commissioner Regan Nonneman seconded. All in favor, motion carried.

Worth County EMD Gene Auten and the commissioners discussed what all he should send as a message through the textcaster system. He currently texts for emergency situations, but commissioner Nonneman would like for him to send out notification if there is a bowl order for the county, or if the phone lines are out etc. Nonneman doesn't want it to become annoying to citizens either, but feels that we could use the textcaster system for other notifications.

Gene will meet with Josh McKim today to discuss finding a building for the Maryville Hospital clinic.

Landowner Ronnie Dannar stopped in to discuss the payment for him for mulching the roadway where the county put the new tube by him place.

Commissioner Regan Nonneman reported that Sheriff Terry Sheddric introduced him to another man who is interested in being a volunteer deputy for the county. The commissioners decided that it would be a good idea to have volunteer for the county.
